

User-Friendly Basic Low-Profile Scales for General Shipping and Veterinary Applications

The Courier 3000 Series shipping scales' intuitive, user-friendly interfaces, bright displays, and low-profile steel construction ensure durability and reliability from offices to warehouses to even veterinary offices (the Courier 3000 is effective for weighing small animals). Versatile and effective.

Unique Features:

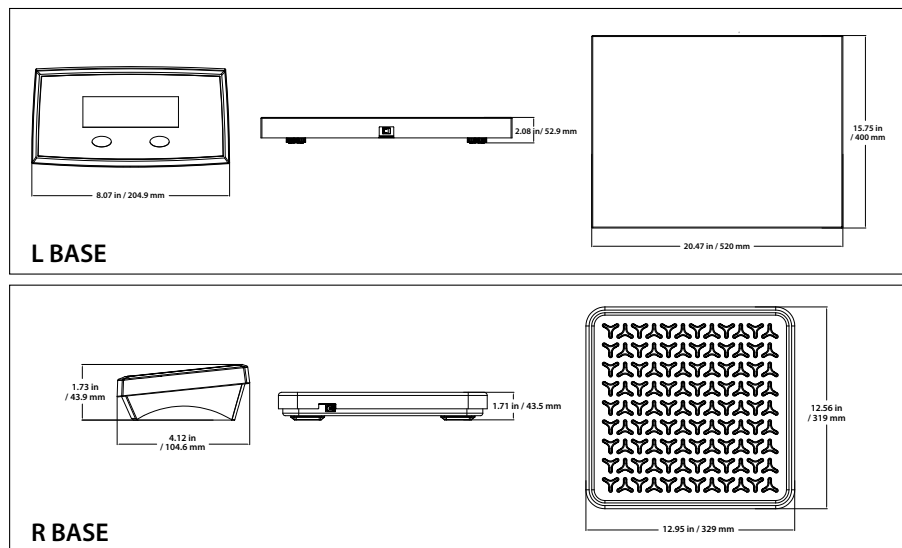

- Ideal for general shipping jobs or veterinary applications. Low-profile design with 1.5 mm thick painted steel platform to last rigorous daily use. Coiled cable ensures flexible display mounting.
- The Courier 3000's Display Hold mode (for use with large boxes and packages) retains weight on the large 1.1 in / 28 mm high backlight display, until cleared.
- AC adapter power included, and disposable battery power (not included) for portable use.
